

About Us

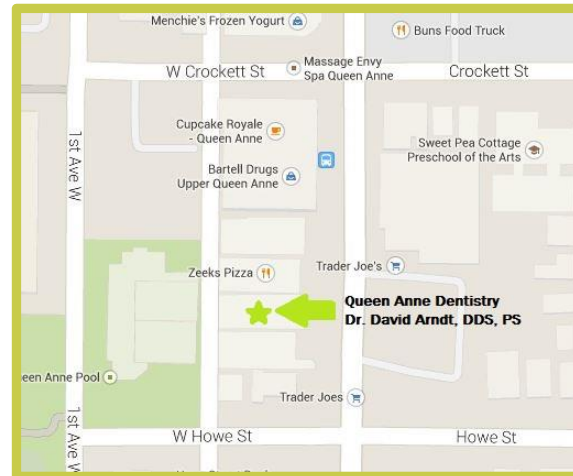

Dr. Arndt has been a dentist on Queen Anne since 1994. He succeeded his predecessor, Dr. Hugh Saylor, who started practicing dentistry on Queen Anne in 1962. We thank the many patients who have been with us for over 50 years. This is a tribute to our quality of service and patient care.

We continue to provide this care with the latest technology available. We offer for your comfort, pillows and blankets during treatment, television or headphones with music if desired, follow up phone calls after difficult procedures, and weekend coverage for dental emergencies.

During regular office hours, patients with dental emergencies will be seen the same day. All of this is part of our dedication to quality care for our patients.

Location Information

1911 Queen Anne Ave. N
Seattle, WA 98109

We are located in the 7 Hills Building, between Zoom Care and Zeek's Pizza, and directly across from Trader Joe's.

We offer free 2-hour parking in our parking garage which can be accessed through the alley off of W. Howe St. or W. Crockett St.

If you need assistance with finding the office or parking, call us at 206-284-3780.
